A LOVE
SONG

MY
DREAMS
FORGIVEN

I WILL
SING
ANOTHER
SONG
TODAY

WHILE
THINKING
OF YOU

GRAND-
MOTHER !!

MUSIC

DISGUSTING
THING

I'M IN
A BAD

HITSUKI-
CHAN.

HOW'S
YOUR
HEALTH
?

DR.
WAKAOLU!

HE COMES
TO MY
HOUSE TO
EXAMINE
ME.

BECAUSE MY
GRAND-
MOTHER
SAYS I
CAN'T
LEAVE THE
HOUSE.

APPARENTLY,
THE
HOSPITAL
THE
DOCTOR
WORKS AT
DOESN'T
MAKE
HOUSE CALLS, BUT

WAKAOLU
SENSEI
IS A
DOCTOR.

IS THERE THAT IS
A GREAT POWER!

WAKAOLU
SENSEI
IS A
DOCTOR.

FOR
HOMES
DOCTOR

10

HAH...
I REALLY
DON'T
WANT TO,
DOCTOR.

JUST
TELL
ME
HOW
TO
DO
IT.

YOU
WILL
NEED
SURGERY,
MITSUKI-
CHAN.

THAT'S
RIGHT.

I'M
SICK.

YOUR LIFE WILL
BE IN DANGER IF
YOU LEAVE IT
LIKE THIS.
AT LEAST
LET ME GIVE
YOU SOME
MEDICINE.

IF I
HAVE
SURGERY...

I WON'T
HAVE A
VOICE
ANYMORE,
RIGHT?

MY
THROAT

HAS A
MALIGNANT
TUMOR
CALLED A
"SARCOMA."

EH?
IF?

...
SINCE
WE'LL
HAVE
TO TAKE
OUT
YOUR VOCAL
CORDS.

I
I'M NOT
AFRAID OF
DYING.

I ONCE
THOUGHT
I WANTED
TO DIE.

IT
LOOKS
LIKE A
CHERRY-BLOSSOM.

BUT
I'M VERY
AFRAID...

OF NOT
BEING
ABLE TO
SING.

SCENE

THAT'S WHY
I WON'T HAVE
THE SURGERY

—
MITSUO-

Tasuma Talk ☺

Hi!! You to read those who are reading my work for the first time. I'm Tasuma Arima. This is "Full Moon no Sengokushi" #1, my first work in a while. I'm so happy! "Full Moon" started in the January 2002 issue of Ribon, so I was surprised when they suddenly decided to create an anime version -the next?? There's only 4 chapters!! (At the time, that's all there were.) There's how I felt.

When this was decided, I was still nervous about shooting a real series in House was pretty chaotic. I'd just have to make the manga first and help the anime succeed.

Full Moon no Sengokushi is...

Every Saturday Morning at 7:30 on Toei-TV!!

From what I do hear, the anime staff (the director??) does know it is a comedy.

HEY!
GET
AWAY
FROM
TAKUTO!

THANK
YOU,
YOU SHINGAM-
SAN!!!

YAY
YAY

YOU IGNORED
THE COMMAND
FROM ABOVE
AND PUT THE
"GOD SPELL"
ON A HUMAN

WHAT
ARE YOU
HID ABOUT,
MEROKO?

WHAT
WERE
YOU
DOING,
TAKUTO
!? ?

IF YOU'RE
FOUND
OUT,
YOU'LL GET
A GOOD
SCOLDING
!!

DID YOU
FALL FOR
HER AT
FIRST
SIGHT...?

NO
WAY...

NO...

DON'T
WORRY, IT'S
NOTHING
LIKE THAT.

WHEN
DID I
BECOME
YOURS
?

N-NO!
TAKUTO
IS MINE
!!

EH?

● Kiyosumi Atsuko ☆

Her hair is like
that of one of
the members of
the band *Afternoon*.

Atsuko don't see a racial or
ethnic when coming up with a
character. Her hair? The charac-
ter would see one of my
characters like She's 18, but
looks like a graduate. I look
(without looking) like more
from a radio show by Kana-
yama was called "Club 10"
(I'm sorry Kana'yama was).

Atsuko's personality is
basically 100% (all the
different from me as it's
hard to know her and work
if I can't because the character
has been for me to work up
with the design. I play out
the rough drafts in my head.
So I try to listen to music and
let that inspire me. -BT-

THAT'S
TRUE,
BUT...

SHE'LL
HAVE NO
REGRETS

WHEN SHE DIES,
AND IT WOULD
CAUSE PROBLEMS
IF SHE SAID SHE
REFUSED TO GO
TO THE SPIRIT
WORLD, RIGHT?

ALL
THERE
HE IS

OH,
SHUT UP
I REALLY
THOUGHT
ABOUT IT

BUT
WHAT
IF SHE
GETS
ACCEPTED
IT

SHE'LL
REGRET IT
BECAUSE
SHE WAS
GOOD
ENOUGH
TO BE
ACCEPTED
IT

● Takuto Kuroki ☆

I had designed him
like the other things

I wanted him to look
like a boy, so I drew
him like this. The cat version
was something I drew a while
back that has appeared in
many of my series. I used it
again. It first appeared in book
7 of *Kanashiro Kuroki (Dance)*.
There had used to be someone
like him called Takuto in cat
(cat) form like him. (laugh)

OK,
PLEASE
COME.

WELL, I'LL
GO AFTER I
VISIT THE
BATHROOM

Tamara Aoki's Treasure Destruction

YOU'RE
SO GOOD,
TAKITO!
I BELIEVED
IN YOU!

I'LL
TRANSFORM
INTO A
JUDGE AND
FIND THAT
BRAT.

It's a special case to fit
the entire 7-book collection
of KOT. It has my draw-
ing on it. I think I
(think) probably someone
created it. (You got to if
you buy all the books.)
It's all made out of
black paper.

For some reason my
drawing isn't pretty popular
in Europe (maybe because
the Nazis were a decent
drawn) saying that is a
great gift.

especially in Germany

If you go to Denmark, look
for it in the bookstore. (The
crowd there are the same
as the Japanese ones, so
they will fit.) Also see for
"Fall from the Sky" or
"From Shards"

@Comments on the Chapter Covers@

Chapter 1, Mitsuki's Case

This picture: I don't remember it very well. (Things were busy at the time.) All I remember is Hart + both of them to color. (This is like 10 years ago.) I didn't really like it at that time, in fact I thought that on the "Kobun" magazine I played a game given to me the newspaper version. (Though I never used it before.)

Chapter 2, As Long As the Wings Keep Flapping

Because This picture: I can't look at it anymore. Right? 

This was used as the picture on a magazine that was a prize in a Mitsuki magazine contest. And it was also part of a study set as a writing board. Usually I draw these myself, but this time I was busy and had my assistant draw. (Many thanks. I wasn't a different one.) Though there's not many pictures with both Mitsuki and Paul Armstrong.

A lit Character Info

● Akemi Yai

lit's a her first name

For some reason she has lots of fans. I am surprised they were to like her drawing style (not necessarily for Tsubaki. I don't really have a strong enough details but

Drawing Akemi made me think this was okay. At first she was a total hang-out. (Then why did I add Akemi?) For this series I wanted all the characters to be recognizable while in silhouette. I guess I wanted them to be like Akemi. And she changed into an animal with Tsubaki. In there is a real reason (I'll use it in the story) But at first (can I say that?) before I created the rough draft for chapter 1. I was asked to draw some characters for a study set. It's easier to have a sketch for other than human right? So I created some with Akemi that I could have just kept there for that but when writing for Akemi I figured the reader would enjoy seeing Akemi. But too late in fact as I want Akemi a little later, or with an animal. And they have become stuffed animals etc.

some spoilers!

● Sakurai Eishi

Even I don't know about him (Half serious) I tried to make him more very man. He looks good in his white clothes.

● Doctor Wakasagi

It's suppose to look like an adult version of Eishi. Sander had I planned to have him appear more but Akahito left her house so quickly so it didn't work. Still appear in the future.

● Kiyosawa Futaba

Sometimes it was fun to draw her (difficult though)

● Wakasaghi Madoka (not the same)

There are a few Madoka fans. One it has come to Madoka. One from the art road at one. Sorry but that's the type of character she is. One who is super popular. I'm happy I like her a lot. His name comes from his (in a Page (Pg)) (Once there's already a P (ch)) @There's only making the books tonight not later than "very" if it's a "spiral" The new character in the last chapter is a "boy" I know. My Gosh, how'd you, I put in my eyes

of a pretty happy with this cover-the two boys with their backs toward.

It's basically in the image of Matsuno Aoi's "OO-hy or 1988" which I like.

In a large number of Goshiki, I've gotten the question "are Tada and Etsuko the same person?" Nope, you're wrong, sorry.

Did you all think that because of the drawing? They do have the same clothes on, I guess.

I can't think of anything more to write here so I'll stick in a message.

And Full Moon was Supershitte

I've gotten letters from fans asking "Is this the last of those series that you've always wanted to write?"

There's a difference.

Difference #1- I always wanted to use the title.

Difference #2- But this wasn't going to be the title of the last one. See, different!!

The final one shall remain sealed!!

Reason #1- There's too much killing to put it in Ebou.

well, I don't want it to be too bloody but I don't want the reader to be bored of it. It's long.

Reason #2- I don't plan to draw anything outside of Ebou!!

Anyway that topic begets, let's talk about Full Moon!

I came up with "Full Moon was Supershitte" near the end of "Kigaku." At first it was just a normal shit work...but sometime along the way it turned into this. (It's not like I only want to write fanfiction.)

~ (But none of my stories or characters are rabbits.)

But I really want to write something weird.

About Full Moon w/ Sapphire Confined.

Continuing from earlier, right when I was making my debut, I had never even thought of writing a Fantasy (for those who think I'm lying, believe me!) ~~~~~

My first editor, seeing how happy I am with characters and "add some kind of thrust to the main character" (Well, they might say that to everyone) The thrust would be to reveal a power or something.

They wouldn't skip the plot without it. (Not that it made that much of a difference to me.)

- The only time it did was the first time.
- It felt like I was being forced to write it. One time after that, to keep the audience from running off into a Fantasy, I ran away from Fantasy and made the main character a side girl.

(If you want to know what series I'm talking about try "Exoticism", "The Fantasy" from One Planet Comics.)

That's a long introduction (sorry). Basically, remember where along the way Fantasy became my trait.

To be continued ~

How did I waste one page on just the introduction?

Chapter #4 *Like the Hall Angel* (3) She has dreams. She has friends.

That's why Mitsuko is average.

I'm impressed at how much she loves that the school (which she either makes up
and adds every time) on this case: 8)

I really like this picture (it looks very clean and it)

I like the title too (I haven't read any of the Full Moon yet, lol. :)

It's about Mitsuko and Takako. Which of them is really angry for the other... I don't even know.

Chapter #5 *Inside the Hollow Sea* It reads where the pages don't

I show this in the image of the final song on their 1st CD. It is the shape of each of their dreams...

2nd album "Koushi (You or Youth)"

It goes off the feeling of an RPG game or DnD or something. "Let's go on a journey searching for magic!"

The dog yubbing with Takako is a key introduced in Chapter 5 (blue). I'm speaking to 4/20.

What do you think the little red and white dragon that Takako is holding is? It has nothing to do with the series
(Thinking of you that have heard Horikawa's "Koushi" do you know? If you do, go ahead and say it! :)

Finally, note what I really wanted
to talk about:

Since January I only had half a year
to come up with the series... I just
dragged myself into it... so I think I'm
going to hold back, since telling the
story behind the story-type stuff
(That's why I spent soooo long on
the dedication!))??

Sorry to the Raps, but I don't
really want to talk about it??

Sorry to those who were looking
forward to the book(s)??

But I'm not going
to talk about it

But in the final volume I may talk
all about it (There it is, promise with
no holds! Don't believe me!!)??

I don't want to say it out loud. (I
have my pride... and I'll end up
saying meanie stuff like I always
do.)

It's that important!

① Raps??
② I'm kidding?
③ I'm kidding?
④ This is why I
don't want to
(Don't want
to shut)

Like I said above, I'm grateful,
so I make a big deal about what
others think (My brothers and A (I'm
I don't get when not understood)
